If relevant, please outline any other medical condition or information which may affect the participant's response to exercise, relevant precautions to be taken and any particular types of leisure activities from which the participants should be excluded.

Over and above the normal risks of such activities, it seems reasonable, in my opinion, for the person named above to take part as an active participant in CTRC activities. In this regard, I understand that the CTRC Senior Coach will assess the suitability of activities based on the medical advice given above.
